

WEBER
ORIGINATOR OF
THE
Magic Cover
BARBECUE

Exclusive Features that assure you a lifetime of fun and cooking pleasure

- No cranks, gears or other mechanical parts to wear.
- Rust-proof porcelain finish — inside and out.
- Hook on inside of cover for hanging on kettle.
- Openings under grill handles for adding charcoal without removing grill.
- Aluminum ash catcher.
- Cover reflects heat, prevents flare-ups.
- Circular chrome plated steel barbecue grill has handles for easy removal.
- Aluminum legs; thumb screws for easy removal.
- Chrome plated heavy wire utility shelf.
- White wall, rubber-tired wheels for convenient moving, even while kettle is in use.

WEBER...

in controlled heat
barbecues*

WEBER PRINCIPLES

- Charcoal grill gives even heat distribution, ventilates fire, eliminates need for gravel fire bed.
- Bottom and cover dampers control draft, snuff out fire after use—let you reuse charcoal.
- Aluminum foil pan catches juices for making gravy — not required if gravy isn't desired.
- Kettle bowl reflects heat.
- Large roasts accommodated. Reflected heat seals in savory juices.

THE GALLEY-QUE

Aqua porcelain finish, 14½" diameter, 13" grill height. Gimbals keep grill level at all times. Bracket fastens to boat to secure grill.
