**NEW FOR  
2017**

## HERE'S TO BRINGING US TOGETHER

Available in two platforms; each ranging in size from two to six burners, the 2017 Genesis® II line accommodates every lifestyle. Whether you live in the big city with a small patio, or small town with a never-ending backyard, we've got you covered.

The Genesis® II/LX is powered by the exclusive GS4™ High Performance Grilling System. GS4™ is the core of all models. The engine behind the series. The power that creates superior results and makes life that much easier.

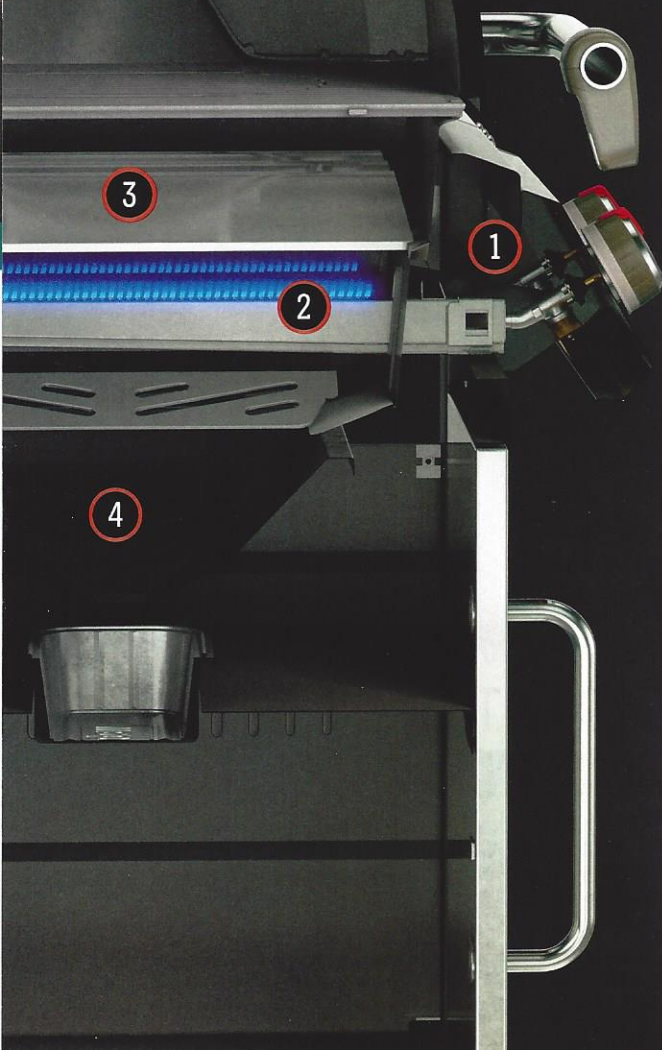

## THE INNOVATIVE HIGH PERFORMANCE GRILLING SYSTEM

NEW FOR  
2017

The NEW Genesis® II and Genesis® II LX series of gas grills accommodates every lifestyle. Ranging in size from two to six burners, all equipped with the exclusive GS4™ high performance grilling system and exceptional features, power and convenience will never be dependent on the amount of people you're feeding.

### INFINITY™ IGNITION

- 1 The Infinity Ignition is guaranteed to ignite every time. Backed by a generous warranty, rest assured that you'll be up-and-grilling the first time, every time.

### HIGH PERFORMANCE BURNERS

- 2 Burners provide ultimate heat distribution, ensuring food grills evenly and consistently anywhere on the cooking grate.

### FLAVORIZER® BARS

- 3 Angled just right to catch drippings that smoke and sizzle, adding that irresistible smoky flavor that we all know and love to your food.

### GREASE MANAGEMENT SYSTEM

- 4 Grease is funneled away from the burners, into an easily accessible drip tray, located within the catch pan under the cookbox.

# ALL YOU NEED

## GENESIS II

Here's to bringing us together. For bringing friends together. For bringing family together. Here's to feeding the entire neighborhood together.

The Genesis® II series of gas grills accommodates every lifestyle. Ranging in size from two to six burners, all equipped with the exclusive GS4™ high performance grilling system and exceptional features, power and convenience will never be dependent on the amount of people you're feeding. The GS4™ grilling system ensures burners that light every time, smoke infused food grilled evenly and consistently, and hassle free cleanup. Whether grilling up a quick meal after a long day in the office or throwing a party, the Genesis® II series has you covered. So, here's to you, here's to us, here's to togetherness and amazing food.

# AND MORE

## GENESIS II LX

The grilling experience is more than what sears on the grate. It's the memories created, stories told, and friends brought together sharing the common love of good food.

Available in 2, 3, 4, and 6 burner models, each equipped with premium features and the exclusive GS4™ high performance grilling system, the Genesis® II LX line of gas grills raises the bar in the world of backyard cuisine. The GS4™ grilling system ensures burners that light every time, smoke infused food grilled evenly and consistently, and hassle free cleanup. Designed with the full grilling experience in mind, the Genesis® II LX grill will always be by your side, so that your guests will never wonder where you've been.

## WEBER® Q® GRILLS

1000 SERIES GRILLS

2000 SERIES GRILLS

3000 SERIES GRILLS

ELECTRIC SERIES GRILLS

Back in 2003 when the first Weber Q® grill was launched, its innovative compact design and ease of use made it one of a kind. Over the years, not only has the Q® grill become a household name, but it is now Weber's most popular series of grills. The Q® grills range in size from the smallest portable Q® 1000™ gas grill; ideal for the thrill-seeking griller on the go, to the largest Q® 3200™ gas grill made for the city dweller with a small patio. Also featured in the series are two electric portable grills. Just plug the electric grill into an outdoor electrical supply and expect the same superior results as the gas grill. All Q® grills ignite with a push of a button and are equipped with porcelain-enameled, cast-iron cooking grates.

### FEATURES

- ✓ STAINLESS STEEL BURNER
- ✓ PORCELAIN-ENAMELED, CAST-IRON COOKING GRATES
- ✓ INFINITE CONTROL BURNER VALVE
- ✓ CAST ALUMINUM LID AND BODY
- ✓ GLASS-REINFORCED NYLON FRAME
- ✓ REMOVABLE CATCH PAN

## WEBER iGRILL

### APP-ENABLED BLUETOOTH® THERMOMETERS

Master the art of a medium-rare steak and become the culinary genius you aspire to be - no training necessary. The iGrill digital Bluetooth thermometer monitors the internal temperature of food from beginning to end, and will notify you once it has reached the perfect degree to serve. Simply download the free Weber® iGrill app on your mobile device and sync it to your iGrill device. Once you're connected, the possibilities are virtually endless, and you'll find out very quickly that iGrill is more than a cutting-edge thermometer.

**iGrill mini** 806239

Elevates everyday grilling and smoking at an affordable price without compromising functionality.

- Single probe capability (One Pro Meat Probe included)
