## CHARCOAL - GAS - ELECTRIC

To Satisfy All Your Covered Cooking Barbecue Needs  
Original Outdoor Covered Barbecue Kettle

WEBER-STEPHEN PRODUCTS CO. COPYRIGHT 1973  
ARLINGTON HEIGHTS, ILLINOIS

**weber**®

Recognized originator and leader of covered barbecue cooking. Generations of true barbecuers have established the tradition of outdoor cooking on circular barbecue equipment.

### WEBER PRINCIPLE

Weber kettles cook with reflected heat to combine the economy of an oven with the zest and fun of an outdoor barbecue.

#### Why foods cook better . . .

in a WEBER with the exclusive Weber cover in place foods cook in their own natural juices—stay flavorful, juicy and tender even when "well-done." Consider also even less expensive meats may be transformed into gourmet delights.

### WEBER ECONOMY

**QUALITY**—WEBER kettles are built to outlast ordinary barbecues. Heavy duty steel—porcelainized inside and out. Porcelain enamel never rusts, burns, fades, or stains. It's acid resistant, corrosion resistant. It fights germs and odors and is easy to clean.

**BEAUTY**—Exciting and pleasing permanent colors.

**ASSURANCE**—With cover in place scorching of meats is virtually eliminated as cover provides even distribution of heat.

**CONVENIENCE**—Entire meal may be prepared in the WEBER kettle. Requires no more attention than your kitchen oven. Easy to assemble.

**THE RANGER**

## WEBER Charcoal

### Economy

Saves charcoal, uses fewer briquettes to begin with. When finished cooking close all dampers and coals go out almost instantly and may be used again.

**DIRECT COOKING**

Meats such as steaks, chops, hamburgers, flat food, etc. are cooked by direct heat and therefore are placed on the grill directly over the hot charcoals.

**INDIRECT COOKING**

Whole meats such as hams, fowl, roasts, etc. are cooked by indirect method. This process provides that the briquettes be placed on the sides of the charcoal grill and separated by an aluminum foil drip pan.

## WEBER Gas

### Convenience

By following the simple directions for igniting, the WEBER gas barbecue kettle within a very short time is ready for preheating. Now the kettle is ready for cooking.

**HIGH-SEARING POSITION**

With the burner up, the direct flame sears meat quickly sealing in all the natural flavor and juices.

**LOW-BROILING, ROASTING POSITION**

With the burner in the down or indirect position—broil or roast "Flare-up Free." The flame is concealed below our exclusive flame shield which guards against flare-up while radiating heat to the lava rock to give your meal that zesty, outdoor cooked flavor.

## WEBER Electric

### Performance

WEBER electric barbecue kettles offer in addition to convenience the opportunity of both direct and indirect cooking and is available in both a 22½" kettle size and an 18" kettle size.

#### 400 Series

These units operate with a single cal rod and indirect cooking is achieved by the heat control.

#### 500 Series

These units contain 2 cal rods, each operating independently and controlled by a toggle switch which provides both direct and indirect cooking.

# weber® accessories add

- A WOK PAN** Now you can add another cooking dimension to your outdoor culinary skill in preparing oriental foods quickly and easily and truly delicious. Steel Wok Pan and Tools with wooden handles fits both 300, 400 Electric, 700 Series, Gas, & 500 Electric.
- |  |         |
|--|---------|
| WP80 (10 1/2 #) (2.46 cu. ft.)           | \$24.95 |
| WP83 Pan only (9 #) (2.5 cu. ft.)        | 16.45   |
| WP81 Tools only. (1 1/2 #) (1.9 cu. ft.) | 9.95    |

- B GRIDDLE** A cast iron griddle just like Grandma used for pancakes and sausage, or eggs and bacon. The WEBER outdoor cooking gourmet can do Sunday brunch or be truly an oriental chef in preparing a myriad of Japanese dishes like Teppan steaks or Kogane-yaki. (1.6 cu. ft.) (17 1/2 #) 2 cover bells included.
- |  |         |
|--|---------|
| G14 (700 series grill only) (gas) & 500 Electric | \$19.95 |
|--|---------|

- C WORK TABLE** An attractive and convenient addition to the kettle made of beautiful Teak Veneer. Adjustable aluminum legs. Also towel ring and utensil rack. Easily attaches to kettle. (18" x 30").
