skyline series

What makes a city great?

New York has the Statue of Liberty ... San

Francisco has the Golden Gate Bridge ... Chicago

has the Lake Shore Drive. And all have an impressive signature skyline that inspires both natives and visitors.

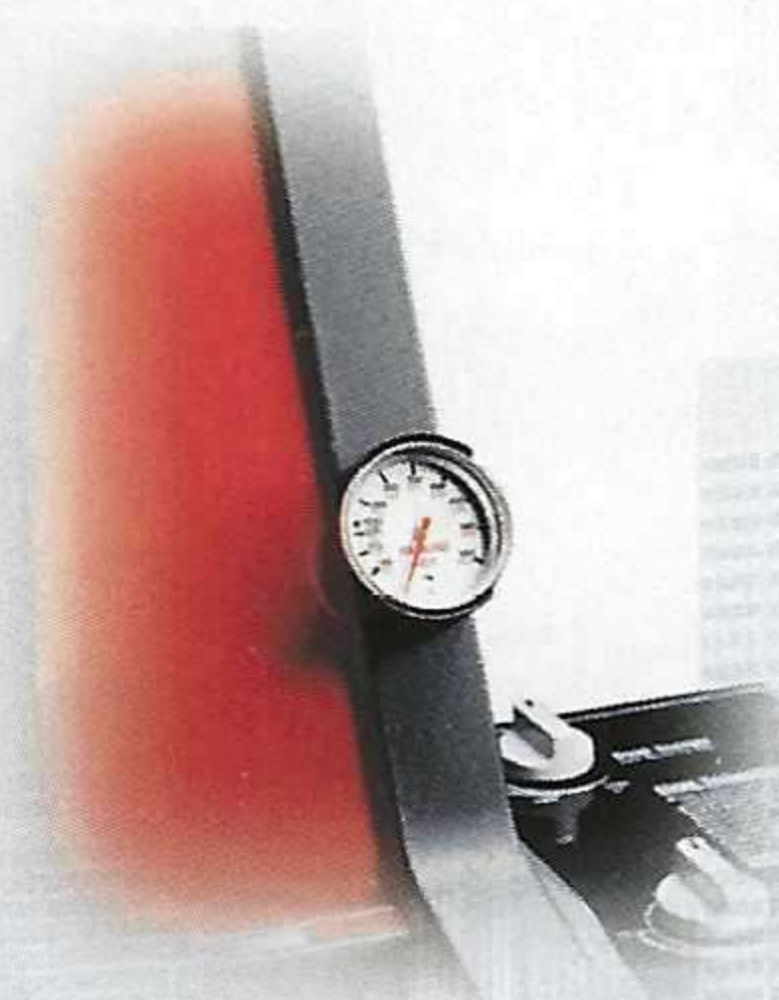

At the heart of every awe-inspiring skyline is an amazing infrastructure. The balance of systems that allows you to go where you want to go, do what you want to do, and enjoy that magnificent view.

A Weber Skyline Series Gas Barbecue is like that, too. Its sleek and distinctive profile alone is enough to spark your appetite. But the reason it can deliver

perfect grilled meals night after night is what's inside.

Wrapped inside that trademark shape is the Weber quality that America has come to rely on for great food and fun times. We've also added some amenities you'll

find most tasteful. And you'll find the exclusive skyline series only at Sears.

Skyline 3200 Series

As dazzling as the city lights on the horizon, the Skyline 3200 cuts an impressive figure with a distinctive skyline emblazoned on its porcelain-enameled lid. Inside you'll find a Skyline exclusive: heavy-duty stainless steel Flavorizer Bars for extra years of grilling glory. Range-style side burner and enameled wire condiment basket and storage shelf make whipping up dinner easier than hailing a cab.

- Weather-resistant durawood swing-up table and work surface and wire bottom rack
- Three long-lasting stainless steel burners
- Enameled wire condiment basket and storage shelf
- Efficient 36,000 BTU per hour, provides 550°F grilling temperature without wasting gas
- 10,000 BTU per hour input, side burner
- 611 square inches of total cooking area (424 square inch primary cooking area, plus 187 square inches of warming rack space)
- Crossover® Ignition System
- Patented Dual-Purpose thermometer
- Height 61", length 60", depth 29" (lid open)

Skyline 1200

The Skyline 1200 has the special features that make the Skyline Series a sought-after Sears exclusive. Stainless steel Flavorizer Bars give you extra years of dependability, virtually eliminating flare-ups. The enameled-wire storage shelf below and condiment holder in front add convenience and style. For valuable extra work space there's a flip-up durawood side table. The skyline and pinstripe on the lid add a touch of elegance to your entertaining.

- Efficient 36,000 BTU per hour, provides 550° F grilling temperature without wasting gas
- 611 square inches of total cooking area (424 square inches of primary cooking area, plus 187 square inches of warming rack space)
- Three long-lasting stainless steel burners with Crossover® Ignition System

Skyline 520

Designed especially for the high-rise resident or condo owner with limited space, the compact Skyline 520 is perfectly at home on your balcony or patio. The special Durawood work table is extremely weather-resistant. Enamel-coated wire rack allows you to store your accessories out of the way. City living just got easier!

- Efficient 22,000 BTU per hour, provides 550° F grilling temperature without wasting gas
- 458 square inches of total cooking area (350 square inches of primary cooking area, plus 108 square inches of warming rack space)
- Two durable stainless steel burners with Crossover® Ignition System
- Dual-Purpose thermometer

Charcoal Series

Of course Sears would never forget the griller who loves great charcoal taste. That's why you'll find a complete line of Weber's standing and portable Charcoal Grills at Sears. The easy cleaning 22 1/2-inch One-Touch includes a set of charcoal rails and a standard cover. Choose from the family-sized 22 1/2-inch diameter Bar-B-Kettle or the compact 18 1/2-inch diameter Bar-B-kettle for home use. The classic 14-inch diameter Smokey Joe is perfect for the campground, beach or RV. Wherever you go, whoever's invited, Weber delivers great charcoal flavor.

- porcelain-enamel
- nickel-plated cooking grates
- convection heat

Accessories

Sears also carries all the Weber Accessories you need to make grilling even easier.

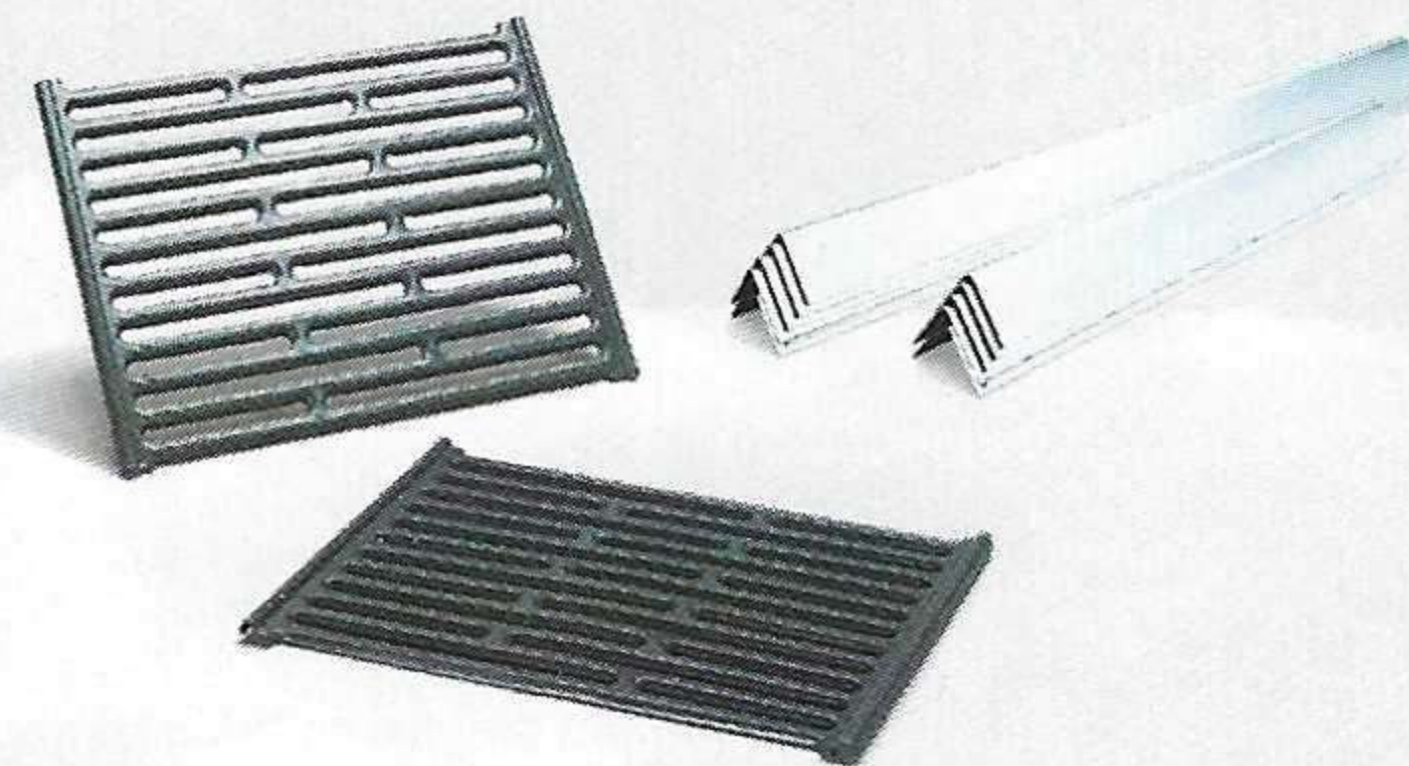

DRIP PANS

Small Drip Pans make perfect Catch Pan Liners for your Weber Gas Barbecue. Large Drip Pans are perfect for under roasts or for side dishes, desserts or stuffing. Ten pans per pack.

WEBER® FIRESTARTERS

Finally, a safe, odorless, nontoxic alternative to charcoal lighter fluid! Placed under charcoal, FireStarter Cubes light as easily as a birthday candle, yielding a strong, steady flame to light coals. FireStarters even light when wet!

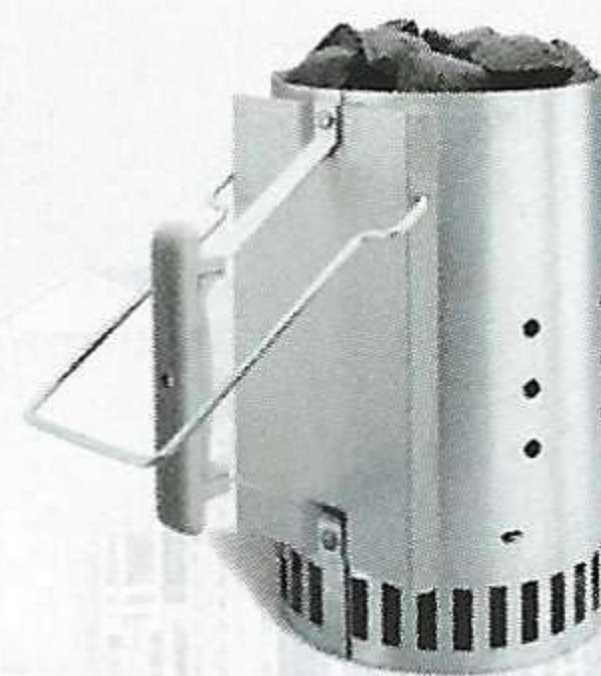

REPLACEMENT FLAVORIZER® BARS and GAS BARBECUE COOKING GRATES
Porcelain-enameled Cooking Grates keep you grilling through the years. Patented Flavorizer Bars virtually eliminate flare-ups. Heavy-duty stainless steel Flavorizer Bars are the ultimate upgrade for any Weber Gas Barbecue.

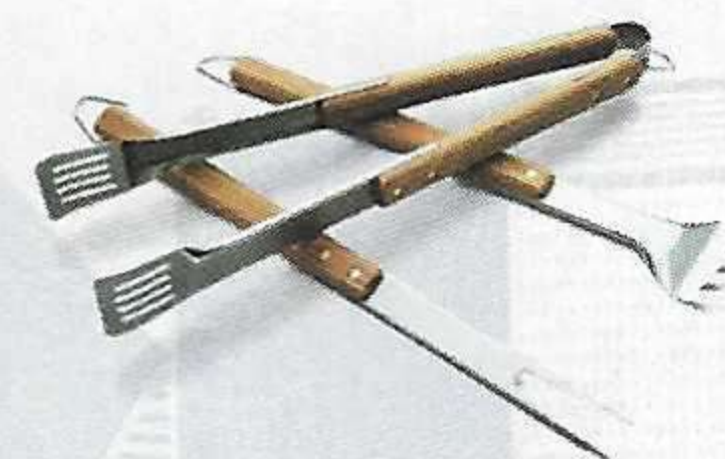

FIRESPICE® COOKING WOODS

Weber offers the most popular cooking woods—hickory and mesquite—in both chips and chunks for a delicious change of taste. Can be used in either charcoal or gas grills.

CHIMNEY STARTER

Weber's aluminized steel RapidFire Chimney Starter helps you prepare coals quickly and safely every time. Holds enough briquettes for an Indirect or Direct fire on a 22 1/2-inch diameter Weber Kettle.

TRADITIONAL TOOL SERIES

These classic tools are the perfect companions for your Weber Grill—and they're built to last. Stainless steel is set in hardwood handles with rust-proof rivets and durable stainless steel hangers. Dinner is served!

THE GRILL BY THE BOOK SERIES

Delicious, easy, and fun recipes—each illustrated with a full-color photograph. Recommended cooking methods and times, approximate preparation time, and nutritional analysis also included.

COOKING GRATES for the 22 1/2" ONE-TOUCH, MASTER-TOUCH, and BAR-B-KETTLE

Heavy, bright nickel-plated steel grates have curved handgrips that can hang from kettle handles.

STANDARD GAS BARBECUE COVERS

Protect your gas grill investment from dirt, rain, and snow. Heavy-duty vinyl is made to last.
