

2019 F.O.B. PREMIUM PRICE LIST

EFFECTIVE OCTOBER 1, 2018

These F.O.B. prices (in United States dollars) are effective October 1, 2018, and apply to the sale of any WEBER brand products by Weber to an authorized retailer ("Dealers") and supersede any previous F.O.B. prices. All F.O.B. prices are subject to change by Weber for any reason with thirty (30) days written notice. Weber reserves the right to refuse to sell any products or extend credit for any reason. Weber requires that Dealers resell Weber products only to consumers at Dealer's retail location(s) within the United States. As a condition of sale, Weber (i) prohibits any sales by a Dealer of Weber products on Internet auction sites, such as eBay® or Craigslist; (ii) prohibits trans-shipping of products between Dealers (or unauthorized retailers) or to locations outside of the 48 contiguous United States; and (iii) prohibits Dealer gas conversion of stock, floor or inventory units. Consumer inquiries regarding connection to bulk propane should be directed to the attention of Weber's Customer Service 1-800-446-1071. Any breach of these conditions of sale or the Weber Terms & Conditions will result in the termination of buying privileges and other remedies, for which Weber reserves all rights. See Weber's published policies relating to sale of Weber products on auction sites, trans-shipping and gas conversion for additional details.

Terms: The Terms and Conditions on Dealer's Credit Application apply to all of Dealer's purchases for Weber.

F.O.B. point: Any Weber warehouse (or at Dealer's request, Dealer's warehouse).

Note: Dealer is responsible for any transportation risks including the filing, if necessary, of any claims for loss or damage.

Minimum order value is \$500.00. Minimum order quantity is one master carton.

Although Weber may suggest retail prices, Dealers are free to determine the prices at which they will sell Weber products.

Note: Weber® gas grills sold to dealers in the United States have been tested and certified for use within the United States only; these grills have not been tested and certified for outside the United States. Weber® gas grills may not be exported to retailers and individuals living outside the United States. Gas mixtures, gas pressures, regulators, fittings and gas cylinders are different from country to country. Gas grills certified to U.S. standards may not be legal to operate outside of the United States. Use or shipment outside of the U.S. will void the limited-warranty covering any grill. If you become aware that a consumer is buying a Weber® gas grill with the intention of shipping it out of the United States, you should refuse the sale. Please direct any inquiries from consumers intending to use or ship a Weber® gas grill outside of the U.S., to Weber Customer Service 1-800-446-1071.
