# SUMMIT KAMADO

The Summit Kamado is the ultimate all-in-one grill for the seasoned charcoal griller looking for an elevated grilling experience.

Backed by a 10-year limited warranty and industry-leading customer support.

With features that allow you to fine tune and dial-in on everything from your low-and-slow to your high-heat sear cooks, this grill performs like no other in their category. Featuring a durable, dual-walled insulated steel that helps quickly reach desired temperatures and maintain heat for all-day smoking. Their grates can be easily repositioned to sear steaks or grill chicken. And with the extra-large cooking area, they can handle any size feast.

Dual-walled insulation quickly reaches desired temperatures and maintains heat for all-day smoking, while minimizing the amount of charcoal burned during a cook.

Rapidfire lid damper boosts air flow to quickly reach high heat.

Stainless steel diffuser plate helps maintain consistent low temperatures for smoking.

# SMOKERS

The Smokey Mountain Cooker is the ultimate solution for the smoking enthusiast whose passion for low-and-slow cooks knows no bounds

Backed by a 10-year limited warranty and industry-leading customer support.

Smokey Mountain Cookers have two cooking grates to smoke two large items at once or plenty of ribs. The fuel door is removable so that adding charcoal and wood is easy, and the dampers allow you to be in control of the heat for tender, fall-off-the-bone meat.

Porcelain-enameled lid, bowl, and center section retain heat and won't rust or peel.

Two cooking grates provide ample room for smoking two large items at once.

Fuel door provides quick access to make adding charcoal and wood easier while smoking.

# NEW CHARCOAL HEAT CONTROLLER

With Weber's Charcoal Heat Controller for 22" kettle charcoal grills, you can easily set up your grill for high-heat searing or low-and-slow cooking. Comprised of a cone and diffuser ring, it reduces the guesswork for less experienced grillers and adds a new level of mastery for backyard pros. The cone positions charcoal for up to 7 hours of low-and-slow cooking when used with charcoal briquettes, while the diffuser ring provides even heat across the entire grilling surface, giving you plenty of room for larger foods like ribs, pork shoulders and more. The cone can also be used to create extremely high heat for searing as well as efficient, convection heat for perfectly crispy wings, meats and veggies.
