Whether you're a carnivore or a vegetarian

Culinary risk taker

Self-proclaimed grill master

Working mom juggling a million to-dos

Even if you've never picked up a pair of tongs...

We've got you.

Discover the only brand that has a grill for every taste.

| Performance

Setting an unparalleled standard for performance and craftsmanship is what we do, and have done for 70+ years. We're engineers who've mastered the flame. Software developers obsessed with the "perfect steak" algorithm. Inventors pushing the boundary of culinary exploration.

| Versatility

Our expansive lineup of grills and accessories has something for every space, style, and taste. Constantly innovating, exploring, and expanding upon what's next.

| Experience

World class customer care is at the heart of what we do. From our competitive warranties, to the individuals ready and willing to make your grilling experience, and day, a little better. We love our grilling community, and always have their backs.

NEW

LUMIN ELECTRIC GRILLS

The Lumin outdoor electric grill is for the big city griller who doesn't want to give up amazing BBQ flavor for their high-rise living.

Backed by a 5-year limited warranty and industry-leading customer support.

High on heat, big on versatility. Lumin outdoor electric grills reach temperatures over 600°F to achieve high-quality searing. Perfect for places where gas and charcoal grilling may not be allowed, these multifunction grills can also keep food warm so guests can easily serve themselves. They're modern, compact and available in an array of colors to suit any taste and outdoor space.

Create high-quality sear marks with an electric grill that reaches really hot temperatures—over 600°F.

Sear, smoke, steam or boil with various cook settings.

Stow and go—compact and space-efficient design makes this grill easy to store and access for your next gathering.
