| Performance

Setting an unparalleled standard for performance and craftsmanship is what we do, and have done for 70+ years. We're engineers who've mastered the flame. Software developers obsessed with the "perfect steak" algorithm. Inventors pushing the boundary of culinary exploration.

| Versatility

Our expansive lineup of grills and accessories has something for every space, style, and taste. Constantly innovating, exploring, and expanding upon what's next.

| Experience

World class customer care is at the heart of what we do. From our competitive warranties, to the individuals ready and willing to make your grilling experience, and day, a little better. We love our grilling community, and always have their backs.

AT WEBER, WE HAVE YOUR GRIDDLE

STAND-UP GRIDDLES

Featuring a specially engineered burner system and cookbox, this high-performance griddle is designed to provide fast, even heat from edge-to-edge. Scramble cheesy eggs, toast paninis, smash juicy burgers and delight guests with the Weber Griddle.

STAND-UP GRIDDLES

Go from Grill Master to Griddle Master with the new Weber stand-up Griddle. Now you can make breakfast, lunch AND dinner outside!

Backed by a 5-year limited warranty and industry-leading customer support.

High-performance Weber Griddles are designed to provide fast, even heat from edge-to-edge, quickly reaching searing temperatures over 500°F. These spacious griddles include 2 side tables to prep, serve and keep tools handy, while the griddle itself gives you space to cook an entire meal at once, so all of your food is ready at the same time. And its high-capacity grease management system helps prevent spills, making cleanup a snap.

High-performance burner system for fast, even, edge-to-edge heat reaching over 500°F—perfect for cooking a salmon filet or a batch of burgers.

Out-of-the-way corner grease chute and high-capacity, front-access grease tray prevents spills and splatter, making cleanup a snap.

Durable, aluminized steel cookbox construction prevents corrosion and supports longevity of the grill.
